Homework: Homework will be assigned at each lecture, and will be collected during the discussion session on Thursday, the week after. Homework will form 20% of the total grade of the course.

Midterms: There will be one midterm. The **Midterm** will be on **Friday, February 10, 2012**, during the lecture. The midterm will form 30% of the total grade of the course.

Final Exam: The **Final Exam** will be a comprehensive exam. The final exam will form 50% of the total grade of the course.

Make Ups: There are **NO** make up exams for neither the midterm nor for the final exam. Also, if your score in the final exam is higher than the midterm I will drop the midterm and the final exam will count, in this case, for 80%.

DO NOT MISS THE MIDTERM AND THE FINAL EXAM. MOST IMPORTANTLY, MAKE SURE THAT YOUR "GRANDMOTHER" IS NOT SICK DURING THE EXAMS WEEK.
