Please comment on the following areas and be as specific as possible.

9. What are the TA's strengths?

- Accessible, caring, and knows the material VERY well. Literally would fail this class if it weren't for him. Would meet up with me before class sometimes if I felt unsure about certain topics and would go out of his way to make sure everyone understood the material.
- EASY TO UNDERSTAND
- Explains everything very precisely and helps to understand better.
- good at answering questions
- He clearly knows what he's teaching and will provide any help possible for his students. An amazing TA and very easy to talk to.
- He knows the subject and is interested in helping the students.
- Helps so we get better grades during quizzes
- The TA is great and really engages us to learn he focuses on in-depths concepts that will be important and stays on track with the lectures.
- very clear, covers material that is likely to show up on tests, exams etc.
- 7 blank answer(s).

10. How can this TA improve?

- explain a little faster

- How could the best TA improve? That's not possible,
- make the class not 8 in the morning.
- Maybe make more correlation with the professor's teachings.
- n/a
- N/A
- Nothing that I can think of.
- 9 blank answer(s).

11. Any other comments about this TA?

- A phenomenal TA.
- He is a very good TA compared to the other ones that I have had at UCI.
- n/a
- N/A
- Understood the pain that students were going through and created a very fair environment. Really cares about students, very very smart, and has a sense of humor too.
- you're great
