**Please comment on the following areas and be as specific as possible.**

9. What are the TA's strengths?

- Catering the discussion problems to look similar to the quiz questions
- Clear Explanation Responsiveness
- Explanation is clear
- Good at explaining problems in a clear and concise fashion.
- He definitely knows the material and he explains everything without any confusion.
- He is very approachable and helpful.
- Matt uses real life examples to respond back to the subject that we are learning. More than that, he willingly asks us if we want to change the subject material that we are learning into a format that is more accessible and understandable to the ordinary person.
- 3 blank answer(s).

10. How can this TA improve?

- He is good as is
- I think it would help if he came up with some questions that students would have most problem with that they could solve instead of waiting until one student asks a question.
- It would be helpful if he could post demonstrations of how to solve problems online.
- N/A
