A. Please comment on the following areas and be as specific as possible:

1. What are the instructor's teaching strengths?

   - Clear, calm, and comprehensive.
   - Extremely helpful and knowledgable.
   - Goes over important problems and explains concepts well.
   - great TA
   - He goes over the material really well.
   - He is extremely good in his area of expertise, and has no trouble explaining or helping students understand concepts.
   - He is one of the best math TA's I've ever had at UCI
   - He is organized, thoughtful and encourages participation.
   - he is patient and explains everything clearly. he is willing to take extra time for students to review.
   - He provides great examples.
   - He really thoroughly goes over every steps and allow us to ask questions. He is really good, perfect pace too!
   - He was a perfect TA, very clear at explaining, writing, helping, etc.
   - his explanations of concepts were clear.
   - Matt did a good job of going over material from lectures and making sure students got a better understanding of the material. His way of teaching was very efficient because he explained everything step-by-step. He was able to go over an adequate amount of examples to prepare us for quizzes.
   - very clear point
   - Very smart and willing to teach what needs to be taught
   - x
   - 7 blank answer(s).

2. How can this instructor improve as a teacher?

   - Already a perfect teacher!
   - He can be a little faster when it comes to getting his point across
   - He is so good! The only things is maybe teaching us only things we need to know, nothing extra.
   - He was great, better than the instructor at times.
   - Honestly, the best TA I ever had. Did all my evaluations because of him.
   - It would have been nice if he was able to go over more examples during review sessions to prepare us for exams. He should make sure all of the problems he gives students are solvable.
   - Make the review sessions more in depth.
   - n/a
   - None. Already exceptional as a teacher.
   - nothing he can do, great TA
