- clear explanation
- clearly explain
- Excellent
- excellent in everything
- explains problems well
- Gave exact instructions on what to expect, did not deviate at all from the agenda.
- Give specific examples which really help with our Quizzes and test, and was responsible for all of your question. He is very friendly and was glad to answer all your questions. He is professional and responsible.
- Great enthusiasm for math
- He is incredibly helpful, and explains every topic in a clear and concise manner. He provided great examples that helped me understand concepts.
- He is very accessible and willing to answer any questions.
- He is well prepared and is also very approachable.
- He tries to help students to understand this lecture easily, and it was very helpful.
- Matt completely understands all theories and examples which are related to our course. He also teaches us very clearly. Because of his teaching, I can succeed in math 4.
- Matt has a comprehensive knowledge of the subject and is more than capable of answering any questions involving the solving of problems or understanding intuitively the reasoning behind the concepts.
- Matt has very polite and courteous teaching skills. He is always considerate of the students when teaching. Often times he would ask if students had questions and sometimes he would just clarify topics even if no one raised their hand to ask for clarification. He is also very organized and clear when teaching and transitions very well into different material.
- Matt was really clear and helpful. He allowed students to make suggestions as to which problems we needed more clarification on. His examples were easy to follow. He is really helpful and enjoys math and teaching students.
- Matt went over the difficult concepts in a way very easy to understand. He was also prompt with questions whether in email or in class discussions and always made himself available for help.
- really breaking everything down, making it easier to understand. Also he was very very patient, which is such a plus. He is a great teacher, he deserves his own lecture
- Review method of calculation and concept in a understandable manner by go over and explain each examples and calculation.
- teaches step by step
- Very clear, very helpful and knows material extremely well!
- Very clear. He taught us a weeks worth of lectures in 40 minutes. Matt is very friendly, responsive to emails, and always willing to help out his students. His review sessions were very helpful in prepping for the exams.
